

The Barbary Coast Tong (Tracker Book 6)

TRACKERS SEARCH FOR A MISSING GIRL DRIVES HIM DEEP INTO THE HEART OF SAN FRANCISCO'S WHITE SLAVE TRADE! JUST FIND MY DAUGHTER!!... AND/OR HER DIAMOND RING! Trackers line of work didn't usually include finding missing persons, but this one had a \$25,000 ring on her finger. So for half the price of the ring and the gratitude of a powerful San Francisco politico... he'd just give it a try. His womanhunt takes him down to the teeming streets of Chinatown's waterfront in pursuit of a Tong specializing in white slavery. There he comes face-to-face with a killer more brutal than he's ever known, takes a bed-testing tour of Barbary Coast pleasure dens, and finally settles an old score... in blood.
