

## The Man From D.A.V.E. (The Apocalypse Manuscript)

A daring secret agent of the worldwide D.A.V.E. spy organization is sent on a perilous mission to save humanity from a weapon as futuristic as a space-based high-energy laser and as ancient as the burning ray of ancient weapon master Archimedes of Syracuse. The action begins in Germany, races across Europe from France to Switzerland, Austria and Italy, then booms across Eastern Europe and roars across the Balkans into Greece, from where it hurtles eastward to the Black Sea port of Odessa, and then rockets into orbit. Plus, this thriller even has its own sound track. So dont wait until the movie comes out. The Man From D.A.V.E. is a feature film in thriller novel form. Youll find this out when a bunched fist aimed at your jaw launches from your Kindle and you find yourself dodging bullets to get to the next paragraph alive.
