

in Woolen Bikinis (Jean and Rosie Series) (Volume 2)

All Women Need Their Own Simple Pleasures . . . Jean and Rosie are involved in a new adventure together-one theyre both excited about-and theyll introduce you to some interesting characters along the way. While Jean is also busy dealing with numerous man issues, her best friend, Rosie, has plenty of issues of her own: shes facing empty nest syndrome, her husband is recovering from heart surgery, and shes finally prepared to solve a deep, dark secret from her past. Then, theres the unexpected news that could shatter her optimism and faith. In Woolen Bikinis is an engaging story about the unpredictable twists and turns that can happen in any womans life, as well as a strong friendship, one Jean and Rosie are fortunate to have, that can help carry one through. Its also about Simple Pleasures, plenty of them (like woolen bikinis). Be prepared to be delighted!
