

Social Psychology Plus MySearchLab with eText -- Access Card Package (3rd Edition)

Details the contributions of sociology to the field of psychology. Written by a team of sociologist, *Social Psychology: Sociological Perspectives, 3/e* introduces readers to social psychology by focusing on the contributions of sociology to the field of social psychology. The text discusses the field of sociological social psychology in terms of its three major dimensions: symbolic interactionism, social structure and personality, and group processes. Within each chapter, each major topic is examined from each of these perspectives. This text is available in a variety of formats digital and print. Pearson offers its titles on the devices students love through CourseSmart, Amazon, and more. To learn more about our programs, pricing options and customization, click the Choices tab.

Learning Goals Upon completing this book, readers will be able to:

- Identify the contributions of sociology to the field of psychology.
- Discuss the field of sociological social psychology in terms of its three major dimensions: symbolic interactionism, social structure and personality, and group processes.
