

The 2011 Import and Export Market for Table or Parlor Games, Printed Tables for Casino Games, Automated Bowling Alley Equipment, and Billiards in Hungary

On the demand side, exporters and strategic planners focusing on table or parlor games, printed tables for casino games, automated bowling alley equipment, and billiards in Hungary face a number of questions. Which countries are supplying table or parlor games, printed tables for casino games, automated bowling alley equipment, and billiards to Hungary? How important is Hungary compared to others in terms of the entire global and regional market? How much do the imports of table or parlor games, printed tables for casino games, automated bowling alley equipment, and billiards vary from one country of origin to another in Hungary? On the supply side, Hungary also exports table or parlor games, printed tables for casino games, automated bowling alley equipment, and billiards. Which countries receive the most exports from Hungary? How are these exports concentrated across buyers? What is the value of these exports and which countries are the largest buyers? This report was created for strategic planners, international marketing executives and import/export managers who are concerned with the market for table or parlor games, printed tables for casino games, automated bowling alley equipment, and billiards in Hungary. With the globalization of this market, managers can no longer be contented with a local view. Nor can managers be contented with out-of-date statistics which appear several years after the fact. I have developed a methodology, based on macroeconomic and trade models, to estimate the market for table or parlor games, printed tables for casino games, automated bowling alley equipment, and billiards for those countries serving Hungary via exports, or supplying from Hungary via imports. It does so for the current year based on a variety of key historical indicators and econometric models. In what follows, Chapter 2 begins

by summarizing where Hungary fits into the world market for imported and exported table or parlor
