

Dragon Marked

Roselyn has a secret: she is a witch in a castle where magic is forbidden. But when she overhears a conspiracy to overthrow the Lord Devyn, her life is thrown into even more jeopardy, and she is chosen as the Sacrifice on Dragons Bane, a ceremony that offers a sacrifice to the dragons of Nazrith Mountains. However she isn't killed by the dragons. She is Marked by one. Thrown into a new life after meeting the recluse Garrett and his dragon companion Serafina, Roselyn struggles to survive and keep her secret safe, but finds it hard to do when suddenly guards are venturing into the mountains--they are on a witch hunt for her. Roselyn joins Garrett on a journey to find a magical amulet that could restore his memory as to who he was before he, too, was Marked, and suddenly they are facing more danger, magic, friendship, love, mystery, and adventure than they ever imagined. But Roselyn is haunted by her past...and it turns out that she is not the only one.
