

Fatal Reunion

Hey you! After all these years . . . Only one person used to write to her like this. And she fell for it. And kept on falling, deeper and deeper, until there was nothing there to catch her. Except me. I picked her up and put her together. Held her together like glue that takes an age to bind. Fifteen years we've been married. But now he's back . . . A blast from the past. Guy Latimer and his wife Carlie have made a life and a child together. But there has always been someone else haunting their past--Magnus, snake-hipped and darkly sexual. Years ago, he took Carlie and brought her to the brink of suicide. Now, Blast from the Past, the website that reunites friends and lovers, brings Magnus back into the present, their present. And this time, resisting him could be murder . . .
