

Gladiator Leaders: Dont Drink the Laced Drink

Never let your enemies become your advocates! by A. K. Hasan
The Herd Mentality! Dont you (the Reader) join the herd like many of our politicians. Unfortunately, this happens because historically politicians enlist the aid of bureaucrats and administrative personnel to create and organize their training agenda, and that results in most of the sessions being taught by bureaucrats and administrative personnel who teach what they think and practice. Consequently, bureaucrats and administrative personnel train politicians to perform like them. Gladiator Leaders Dont Drink the Laced Drink. They know bureaucratic and administrative thinking destroys the very fabric of an elected leaders ability to perform his duties. Why else would politicians wait around to be told what to do? Leadership is about Navigation. How well do you move? Read Gladiator Leaders and learn how to avoid becoming Indoctrinated with The Herd Mentality.
