

High Horse Rampage

And then some more fellers butted in and everybody started cussing and hollering till it nigh deafened me. Someone else reaches for a gun and I seen that as soon as one feller shoots another there is bound to be trouble so I started to gentle the first feller by hitting him over the head. The next thing I know someone hollers at me, You big hyener!, and tries to ruint me with a knife. Purty soon there is hitting and shooting all over the town. High Horse is sure on a rampage.
