

Invisible Monsters Remix

[This is the MP3CD audiobook format in vinyl case.] [*Read by Chuck Palahniuk and Anna Fields] [Includes a *Bonus CD* with a PDF of instructions for creative listening] An expanded, radically refashioned directors cut of a favorite Palahniuk novel Injected with new material, Invisible Monsters Remix fulfills Chuck Palahniuks original vision for his 1999 novel, moving a daring satire on beauty and the fashion industry even further into a wildly unique listening experience. Palahniuks fashion-model protagonist has it all -- boyfriend, career, loyal best friend-- until an accident destroys her face, her ability to speak, and her self-esteem. Enter Brandy Alexander, queen supreme, one operation away from becoming a bona fide woman. Laced in are new chapters of memoir and further scenes with the books characters. Listeners will jump between chapters and have a second listen to understand the dissolve between fiction and fact, taking them on a ride theyll never forget.
