

The Thurber Carnival (Perennial Classics)

James Thurber was one of the finest humorists of the twentieth century (and a crack cartoonist to boot). A bestseller upon its initial publication in 1999, *The Thurber Carnival* captures the depth of his talent and the breadth of his wit. The stories compiled here, almost all of which first appeared in *The New Yorker*, are from his uproarious and candid collection *My World and Welcome to It* including the American classic *The Secret Life of Walter Mitty* as well as from *The Owl in the Attic*, *The Seal in the Bathroom*, and *Men, Women and Dogs*.
