

Saved

Veteran Boston goaltender Jean Pierre Savard sees stardom and the money it brings as fates make-up call for a life in which he lost his father, his wife, and most of his self confidence for anything not involving saves or sex. Now late in his career, Savard and his teammate and best friend, Cam Carter, are trying to fulfill their boyhood dreams of winning a Stanley Cup before they retire. A surprise late-season trade pits the friends against each other in a playoff series both could lose but only one can win. *Saved* takes the reader into the rinks, dressing rooms, planes, buses, and hotels that are the backdrop to the long grind of an NHL season. That grind is made bearable by the likes of players such as Bruno Govoni, whose cell phone ring tone is the orgasmic moaning of a porn star Loretta (Lash) LaRue; of Phil Flipside Palmer, the only person besides the Kingsmen who knows all the words to Louie Louie or that Child of the Moon was the flipside of the Rolling Stones Jumpin Jack Flash; and team enforcer Kevin Quigley, who claims all his fights are retaliations, but sometimes I retaliate first. Most sports novels bring the game to the reader. *Saved* brings the reader to the game. Praise for Jack Falla Falla's graphic portrayal of a violent sport (and its colorful players) and his insiders view of how hockey is played, coached, and officiated is exciting, surefire entertainment. -- Publishers Weekly on *Saved* Literary hot chocolate that will warm your heart. ---Robert Lipsyte, The New York Times, on *Home Ice* The best hockey book ever. ---John Buccigross, ESPN sportscaster, on *Home Ice* Possibly the best hockey book since Ken Dryden's *The Game*. ---Toronto Globe and Mail, on *Home Ice*
