A neighborhood in Kentland Maryland plays host to a bevy of whispers, police investigations and lies as Ginger tries to uncover what everyone is keeping from her. Her memory loss continues to hold her recollection hostage in her head as she constantly deals with Child Protective Service, a distant boyfriend and a crush on her Stick Up Kid neighbor, Gerron. If someone does not clue Ginger in or her memory doesn't come back, Ginger will go down for reasons she doesn't have one clue on. Formerly A Story in, Soft: Cocaine Love Stories.
