

Awakening of a Submissive (Siren Publishing Menage Everlasting)

[Siren Menage Everlasting: Erotic Consensual BDSM Menage a Quatre Romance, M/F/M/M, voyeurism, spanking, sex toys, HEA] Juliette Carroll arrives home from college to find that her sister, Jill, has become a submissive and is about to be collared by the man she calls Master. Juliette consents to attend the ceremony against her better judgment. When she meets three brothers at the ceremony who make her an offer of employment, she is hard pressed to say no. However, Chase, Michael, and Brent Marston want more. When she visits her sister Jill and is taken on a tour of her new home, including the dungeon, she finds herself becoming even more curious and more in need of the three men that challenge all she has ever known. She fights her desires, but she can't deny that there is a part of her that craves entry into their world of dominance and submission. How can she even think of submitting herself to three men and a lifestyle that she has begged her sister to leave? Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
