

## Oliver Twist (Spanish Edition) (Translated)

Oliver Twist es la segunda novela del autor inglés Charles Dickens. Es la primera novela en lengua inglesa que tiene a un niño como protagonista y es también destacable por su escasamente romántico tratamiento del mundo de los criminales y sus sordidas vidas. Oliver Twist es una de las primeras novelas sociales de la historia de la literatura. Llama la atención a sus lectores sobre varios males sociales de la época, como el trabajo infantil o la utilización de niños para cometer delitos. Dickens se burla de la hipocresía de su época tratando estos temas tan serios con sarcasmo y humor negro. Ha sido adaptada en numerosas ocasiones para el cine, la televisión y el teatro musical. Se ha traducido a numerosas lenguas.
