

## Preachers Justice (Preacher/First Mountain Man)

He Fought For His Freedom In a land of towering mountains and howling winds, a man has found a home--away from other men and away from memories of the past. A trapper by trade, a fighter at heart, he has earned the name Preacher, and a legend of his own. He Fought For His Life In the wilds, Preacher has learned the rules of survival, and he has killed in order to live. But now something is forcing him out of his Rocky Mountain range for the so-called civilized world. It is the memory of a woman. It is her blood calling out for revenge. . . Now, Hell Fight For The Truth In St. Louis, a girl from Preachers past has been murdered. For the man whose heart she once touched, the time has come to leave the high wild country--for truth, justice and a new reason to kill. . .
