

Mr. Bones II

In the first spine-tingling story of Mr. Bones - Mr. Bones escapes by hitching a ride on a long haul that is traveling across the country. Its now harvest season in a small rural town in Kansas. Mr. Bones jumps off the back of the truck, after crossing a bridge in the middle of the night.

He wades into a cornfield and holed up inside a farmers barn. This skillfully crafted story is like placing your imagination in a pot of water and setting it on a stove. Your imagination will start to simmer, then get hot, and soon it will boil over; as you drift into this small rural town of Dole - where greed pays no mind to those in the way. Its about a rich mans son who sets up a land swindling scheme with the meanest judge in all of Kansas. With lies and betrayal and a man called Blade - the scheme goes horribly out of control. Who will live and who will die in this terrifying episode of Mr. Bones? Thats for you to find out.
