

Ruthless Beings: Frankly Deceptive

What do you get when you put a billionaire's daughter, two love interests, a murderer, a world-weary Police detective, and a number of people who aren't quite telling the truth together? You get a situation that is frankly deceptive. Amethyst, the billionaire baby, has grown a lot since her father's funeral, but when a man from her past resurfaces and wreaks havoc in the city her motives and integrity are called into question. While receiving support from one love interest and suspicion from the other, Amethyst can't do anything except continue to be herself. Seeking to be taken seriously and trusted, and not wanting to jeopardise the bond, she decides to reveal a little about her unusual skills. Following her father's advice to find what makes her strong and hold onto it, Amethyst knows that love is the answer and that it could be the difference between life and death.
