

Somebodys Luggage (Annotated)

Includes: -Biography Description:
Somebodys Luggage is a rediscovered gem from Dickens's later life. Stumbling upon some luggage that has been left behind in the hotel where he works, a waiter searches through it to identify its owner. He fails to discover this, but he does find, secreted away in different parts of the luggage, quite a number of stories. Impressed by their quality, he succeeds in getting them published, although the identity of their author remains a mystery until a visitor comes calling. Written with Dickens's characteristic wit and descriptive skill and boasting contributions by eminent Victorian writers Wilkie Collins, Adelaide Anne Procter, and Elizabeth Gaskell, *Somebodys Luggage* is a wonderful composite of tales.
