

The Flight of Pony Baker

If there was any fellow in the Boys Town fifty years ago who had a good reason to run off it was Pony Baker. Pony was not his real name; it was what the boys called him, because there were so many fellows who had to be told apart, as Big Joe and Little Joe, and Big John and Little John, and Big Bill and Little Bill, that they got tired of telling boys apart that way; and after one of the boys called him Pony Baker, so that you could know him from his cousin Frank Baker, nobody ever called him anything else.
