

# The Life and Adventures of Santa Claus

From the Dust Jacket: The felicitous combination of L. Frank Baum's graceful, lilting language and Mary Cowles Clark's delightful illustrations make *The Life and Adventures of Santa Claus* an entrancing reading experience for young and old alike. Its message about the importance of love and kindness in a difficult world endows this story with a universality that goes far beyond the bounds of Christmas. It is a tale, lovingly told, as timeless and immortal as beloved Santa Claus himself.
