

THE LIGHT WORKER SERIES: AN INSTRUCTION MANUAL FOR THE CARE AND FEEDING OF THE SOUL, AND THE ATTRACTION OF ITS MATE

I am, the author. This little book is my creation. The book is small, but the concept is large. It is a series of individual poems, which each tell a story, when taken together, they tell a larger story. The book may be read, Romantically or spiritually. If you invest yourself in it, you will be rewarded. It is truly a treasure map. It is not alchemy. you will not change lead into gold. You may exchange Fear for Love, however. I do not want you to read this book. I do not need you to read this book. This book was instrumental in my successful journey, I offer it to you, so that, you may seek, and you may find. Enjoy
