

## Will Be: Book Three of the Asylum Saga

I have seen the magic of old brought to life; no doubts of our Gods existence plague me. They put Their faith in us; the least we could do was give Them ours. Aya and Bas have charged us with reawakening the priesthood. The Oracle and I are creating a new home for magic. It is there I will teach you Aya Waylands path. The blood runs down her skin like ice through her veins as Roseen makes her way back to Lorilindo, where she will confront her past, her lover, and her destiny. Where Cade will forge in her heart a love as strong, sure, and intricate as the steel he shapes at his forge. Their heat consuming, their passion intense, and their devotion without equal, they will bring together their magic and metal to fulfill their desires and fates as they seek Asylum anew.
