

The Two Admirals

Many are unfamiliar with James Fenimore Cooper, even though every American comes across his work in the class or on TV. Today he is best remembered as a novelist who wrote numerous sea-stories and the historical novels known as the Leatherstocking Tales, featuring frontiersman Natty Bumppo. Coopers most famous novel is The Last of the Mohicans, which was one of the novels comprising The Leatherstocking Tales and was later made into a popular movie.
