

The 2009 Import and Export Market for Wood Marquetry, Inlaid Wood, Wooden Caskets and Cases for Jewelry and Cutlery, Wooden Ornaments, and Wooden Racks for Coats and Hats in Germany

On the demand side, exporters and strategic planners focusing on wood marquetry, inlaid wood, wooden caskets and cases for jewelry and cutlery, wooden ornaments, and wooden racks for coats and hats in Germany face a number of questions. Which countries are supplying wood marquetry, inlaid wood, wooden caskets and cases for jewelry and cutlery, wooden ornaments, and wooden racks for coats and hats to Germany? How important is Germany compared to others in terms of the entire global and regional market? How much do the imports of wood marquetry, inlaid wood, wooden caskets and cases for jewelry and cutlery, wooden ornaments, and wooden racks for coats and hats vary from one country of origin to another in Germany? On the supply side, Germany also exports wood marquetry, inlaid wood, wooden caskets and cases for jewelry and cutlery, wooden ornaments, and wooden racks for coats and hats. Which countries receive the most exports from Germany? How are these exports concentrated across buyers? What is the value of these exports and which countries are the largest buyers? This report was created for strategic planners, international marketing executives and import/export managers who are concerned with the market for wood marquetry, inlaid wood, wooden caskets and cases for jewelry and cutlery, wooden ornaments, and wooden racks for coats and hats in Germany. With the globalization of this market, managers can no longer be contented with a local view. Nor can managers be contented with out-of-date statistics which appear several years after the fact. I have developed a methodology, based on macroeconomic and trade models, to estimate the market for wood marquetry, inlaid wood, wooden caskets and cases for jewelry and cutlery, wooden ornaments, and wooden racks for coats and hats for those countries serving Germany via exports, or supplying from

Germany via imports. It does so for the current year based on a variety of key historical indicators and
