

Falk

Several of us, all more or less connected with the sea, were dining in a small river-hostelry not more than thirty miles from London, and less than twenty from that shallow and dangerous puddle to which our coasting men give the grandiose name of German Ocean. And through the wide windows we had a view of the Thames; an enfiling view down the Lower Hope Reach. But the dinner was execrable, and all the feast was for the eyes.
