

The Word Game

USA Best Book Award Winner in General Fiction For overprotective parent Alyson Ward, any time her daughter, Lyla, is out of sight is reason to panic. So its a big step for her when she lets Lyla attend a sleepover at her cousins house. Comforted by the knowledge that her sister, Tricia, is the chaperone, Alyson does the one thing she never thought possible: she lets go and trusts that her daughter will be safe. But Alysons sense of peace is short lived. When Lyla comes home the next morning, she reveals something that could tear apart not only their family but also the entire community. Now, Alyson and Tricia must confront their painful shared past as they come together to help a little girl who they fear might be harboring terrible secrets similar to their own. Will the sisters be strong enough to face their demons in order to protect the child, even if it means telling their most private truths?
